**Práctica:** *Answer these questions thoughtfully (in English):*

1. What exactly *is* “**culture**”?
2. Studying culture is an important part of studying a language. Why?
3. What are “**stereotypes**”? (NOTE: I’m not looking for examples, I want a definition. Be respectful.)
4. Why do you think stereotypes are so persistent? (i.e., why are they so hard to escape)
5. How does studying **culture** help us to eliminate **stereotypes**?
