

# Narrating Events in Past Tense: 5 Panel Story

Name \_\_\_\_\_ Date \_\_\_\_\_ Per \_\_\_\_\_

**Instructions:** In the panels below, create a 5 panel comic to summarize the main events of well-known stories.

- 1) First, **choose a story** you know well that has a fairly simple plot, such as a fairy tale or Disney movie (or write your own).
- 2) Next, write a simple, **5-line description of the events** of that story, in English, on the back of the page. The key here is SIMPLIFY and SUMMARIZE!
- 3) Draw a **basic illustration** of the events as a storyboard, using stick figures or other quick sketches. Artistic quality is not critical here.
- 4) Starting with the key Spanish verb in each sentence, build each sentence of your story in Spanish.
- 5) Write your completed Spanish narration in the spaces provided at top and bottom of each panel of the storyboard.
- 6) REPEAT FOR THREE STORIES.
