Pronoun placement with affirmative commands:

- 1) Write an accent mark on the second-to-last syllable of the command
 - 2) Attach the pronoun(s) to the END of the affirmative command.
- Examples: levántate, hábleme, díganselo

Pronoun placement with negative commands:

- 1) Pronoun(s) are placed between between "No" and the command
- Examples: No te levantes, No me hable, No me lo digan
