<b>fumarse</b> - to smoke	<b>ponerse</b> - to put on, <i>to start to</i>
<b>irse</b> - to go out to, to head out	<b>tomarse</b> - to take, to drink up

### I don't do nothin' else

I get myself up in the morning  
 I give myself a bath  
 and put on some perfume(cologne)  
 I eat up a good breakfast  
**.....and I don't do nothin' else, nothin' else.**  
 After, I read the newspaper  
 I even read the classified announcements  
 Or I start to watch soap operas  
**.....and I don't do nothin' else, nothin' else.**  
 At the hour of twelve  
 I eat up a nice big lunch  
 of rice and beans  
 and stewed beef  
**.....and I don't do nothin' else, nothin' else.**  
 After that, I go out to the hammock  
 to sleep a little nap  
 Sometimes I sleep two hours  
 and sometimes more  
**.....and I don't do nothin' else, nothin' else.**  
 I get up at, like, three  
 and drink me a good coffee.  
 I smoke a little cigarette  
 with my guitar, I start to sing  
*La la la*  
 And at dinner time  
 my lady cooks me up  
 a steak with french fries  
 with salad and a thousand other things  
 I polish that off  
**.....and I don't do nothin' else, nothin' else.**  
 Later, I go out to the balcony,  
 as if I were some big guy  
 to rock myself in the rocking chair  
 and chat with my woman  
*A la la la*  
 When sleepiness hits me  
 Right away I lie down in bed  
 and I sleep until morning  
**.....and I don't do nothin' else, nothin' else.**

### No hago más na'

Yo \_\_\_\_\_ por la mañana.  
 \_\_\_\_\_ un baño  
 y \_\_\_\_\_  
 \_\_\_\_\_ un buen desayuno  
**.....y no hago más na', más na'.**  
 Después yo leo la prensa  
 Yo leo hasta las esquelas  
 O \_\_\_\_\_ a ver novelas  
**.....y no hago más na', más na'.**  
 A la hora de las doce  
 Yo \_\_\_\_\_ un buen almuerzo  
 De arroz con habichuelas  
 Y carne guisada  
**.....y no hago más na', más na'.**  
 Después \_\_\_\_\_ a la hamaca  
 A dormir una siestecita  
 A veces duermo dos horas  
 Y a veces más  
**.....y no hago más nada.**  
 Y \_\_\_\_\_ como a las tres  
 Y \_\_\_\_\_ un buen café.  
 \_\_\_\_\_ un cigarillito  
 Con mi guitarra \_\_\_\_\_ a cantar  
*La la la*  
 Y a la hora de la comida  
 Me prepara mi mujer  
 Un bistec con papas fritas  
 Con ensalada y mil cosas más.  
 Me lo mando  
**.....y no hago más na'.**  
 Luego \_\_\_\_\_ al balcón  
 cual si fuera un gran señor a  
 \_\_\_\_\_ en el sillón  
 Con mi mujer a platicar  
*A la la la*  
 Cuando se me pega el sueño  
 En seguidita \_\_\_\_\_ a acostar.  
 Y duermo hasta por la mañana.  
**.....y no hago más na'.**
