Assignment 3-B

In the role of another teen imprisoned along with Marcus by Homeland Security officers, write at least three journal entries describing your experience and how it affected your sense or understanding of *freedom*.

1 _____

2 _____

3 _____

What is Harajuku Fun Madness? Why does Marcus trust HFM organizers, and follow their clues to real-world encounters with "enemy teams," while he is highly suspicious of government operatives attempting to similarly control him? How do you feel about companies who try to influence your behavior with advertising?
