

MARSHMALLOW MADNESS

MATERIALS:

- Marshmallows
- Dry spaghetti

DESCRIPTION:

Students compete in groups of 4 – 6 to build the tallest marshmallow tower possible using only marshmallows and dry spaghetti.

DIRECTIONS:

- You may change the appearance of the spaghetti or marshmallows.
- You will have twenty minutes to build your tower
- Your structure must stand on its own long enough to be judged

JUDGING:

Your group will be judged on the following:

- Sturdiness
- Creativity
- Best design
