

QUICKWRITE:

What do you know about

Día de los Muertos? When/where/

How is it celebrated? Why? What

do people think & believe about it?

What are the traditional symbols
and customs?

Write as much as you can in the
next 5 minutes...

Quickwrite 9-B:

- What topics did you learn about from Mrs. Lewallen (the lady from the CCC)?
- What new info did you learn?
- What were the best/most interesting things?
- Was there anything she could have done better? (she asked me to ask you for feedback, be honest)

-
- Have you thought about:
 - what college ...
 - what major ...
 - What career......you want? Describe where you are with each, right now.

Quiz on the chess video:

- 1) What does “retrograde analysis” mean? Give one example of what it looks like in real-world usage.
- 2) What is one *other* strategy that Grandmasters use?
- 3) A lake has 20 bacteria in it. The bacteria double in number every day. It fills up completely after 100 days. On which day is it 50% full of bacteria? How did you determine that number?
- 4) BONUS: How can retrograde analysis help you with college and career plans?
