Forming the Present Subjunctive

The present subjunctive of most verbs is formed by dropping the ending **-o** of the 1st person singular (**yo** form) of the present indicative and adding the following endings:

	-ar	-er	-ir
Yo	e	a	a
Tú	es	as	as
Él/Ella/Ud.	e	a	a
Nosotros	emos	amos	amos
Vosotros	éis	áis	áis
Ellos/Ellas/Uds.	en	an	an

Examples:

	tomar	comer	escribir
Yo	tome	coma	escriba
Tú	tomes	comas	escribas
Él/Ella/Ud.	tome	coma	escriba
Nosotros	tomemos	comamos	escribamos
Vosotros	toméis	comáis	escribáis
Ellos/Ellas/Uds.	tomen	coman	escriban

*It is important to remember the process for forming the present subjunctive:

- Start with the present indicative **yo** form
- Drop the “o”
- Add the appropriate present subjunctive ending.

Infinitive → Present Indicative “Yo” Form → Present Subjunctive

tomar	→	tomo	→ tome, tomes, tome, tomemos, toméis, tomen
comer	→	como	→ coma, comas, coma, comamos, comáis, coman
escribir	→	vivo	→ escriba, escribas, escriba escribamos, escribáis, escriban

*Following this process is extremely important because of what happens with verbs that have **irregular “yo” forms in the present indicative**:

Infinitive → Present Indicative “Yo” Form → Present Subjunctive

salir	→	salgo	→ salga, salgas, salga, salgamos, salgáis, salgan
cerrar	→	cierro	→ cierre, cierres, cierre, cerremos, cerréis, cierren
conocer	→	conozco	→ conozca, conozcas, conozca conozcamos, conozcáis, conozcan

Spelling Changes in the Subjunctive

In the present subjunctive of verbs ending in **-car**, **-gar**, and **-zar**:

- **c** changes to **qu**
- **g** changes to **gu**
- **z** to **c**

These spelling changes are the same ones that occur in the **yo** form of the preterite. For example:

Infinitive	Preterite YO form	Present subjunctive

pagar	pagué	pague
avanzar	avancé	avance

Stem-Changes in the Present Subjunctive

• Some verbs ending in **-iar** or **-uar** have an accent mark on the **i** or the **u** (**í**, **ú**) in all forms except those for **nosotros** and **vosotros**.
