Placement in Negative Sentences

In a negative sentence (or clause) with one verb, the direct object pronoun is placed between the word *no* (or other term of negation) and the conjugated verb.

examples:

Yo no lo sé. No lo conocemos.
 I don't know it. We don't know him.

35

No los compras.
You don't buy them.

Él no nos ve jamás.
He never sees us.

Nunca lo estudiáis.
You never study it.

Ellos no me odian.
They don't hate me.
