

Práctica: Parts of the body

Spanish 2 MCR

el 7 de abril de 2015

Francisco arrives at the doctor's office with numerous injuries.

Translate using vocabulary related to the body, from textbook pages 224 - 225.

- 1) Francisco visits **the doctor's office**, because he fought a lion. (visitar, present; pelear, preterite)
- 2) The lion's **teeth** cut Francisco. (Hint: preterite of cortar, ellos)
- 3) It **hurts** him on his **hands** and **arms**. (IOP + doler, o → ue)
- 4) He needs a **cast** on his **leg**.
- 5) Francisco says he has a **headache**.
- 6) The doctor writes a **prescription** for him.
- 7) Francicso takes the **pills**.
