**Translate! (HINT: Remember that gustar behaves a little bit differently compared to most other verbs!)**

1. I like to visit to the library. I like many different books, but I do not like *Twilight*. The girl irritates me.
2. My friend likes to buy shoes. She likes shoes, a lot! She is not interested in school.
3. Do you like pencils or pens? Do you like to write? Fiction fascinates me.
4. We like to study at the book store. We like the chairs in the café. We love food.
5. My friends like to draw. They like art, but they are annoyed by artists from the United States.
