Use the following verbs, and write your own sentence for each. Feel free to rearrange the order and try to make a story out of it if you can, but at the very least, make sure each verb is correctly conjugated:

- | | | | |
|----------|-----------|-----------|-------------|
| 1) Ser | 2) Ir | 3) Entrar | 4) Trabajar |
| 5) Tener | 6) Cerrar | 7) Volver | 8) Dormir |
