

Does the binder have a separate section for every academic class, including AVID?	If yes, +10. If no, -2 points for every academic class without a section.	/10
Can you find your next math homework assignment (either the paper itself, or what the assigned page and numbers are) in 30 seconds or less? (Alternately, if there is no math homework coming up, use the date, class period, and topic for the next test you will be taking in any subject.)	If yes, +10. If no, -1 points for every 3 more seconds it takes. If unable to do so in 60 seconds, receive 0 points.	/10
Open the binder, hold it by the front cover only, and gently shake (simulating catching it as it falls off your desk). Does anything fall out?	If no, +10. If yes, -2 points for every item that falls out, for a maximum penalty of 10 points.	/10
